Type: Concepts

Course ID: CBSE\_MATH\_6

Title: Fun with Numbers - Class 6 Maths

Description: Detailed lessons on whole numbers, factors & multiples, geometry basics, and data handling. Perfect for visual learners with plenty of examples.

Learning Outcomes: Understand number systems, Grasp geometry fundamentals, Interpret data visually

Level: Beginner

URL: <https://campusclature.com/courses/maths-6>

Type: Concepts

Course ID: CBSE\_SCI\_6

Title: Curious Science - Class 6

Description: Covers food, materials, living things, and motion with real-life examples. Designed to spark curiosity.

Learning Outcomes: Differentiate materials, Understand plant and animal traits, Basics of motion and measurement

Level: Beginner

URL: <https://campusclature.com/courses/science-6>

Type: Concepts

Course ID: CBSE\_HIN\_11\_X0

Title: Hindi Deep Practice - Class 11

Description: In-depth practice materials and concept explanations for CBSE Class 11 Hindi. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core hindi topics, Improve accuracy in exams, Build strong foundational skills

Level: Advanced

URL: <https://campusclature.com/courses/hindi-11-x0>

Type: Mixed

Course ID: CBSE\_SCI\_10\_X1

Title: Science Deep Practice - Class 10

Description: In-depth practice materials and concept explanations for CBSE Class 10 Science. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core science topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/science-10-x1>

Type: Concepts

Course ID: CBSE\_ENG\_6\_X2

Title: English Deep Practice - Class 6

Description: In-depth practice materials and concept explanations for CBSE Class 6 English. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core english topics, Improve accuracy in exams, Build strong

foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/english-6-x2>

Type: Concepts

Course ID: CBSE\_MAT\_9\_X3

Title: Math Deep Practice - Class 9

Description: In-depth practice materials and concept explanations for CBSE Class 9 Math. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core math topics, Improve accuracy in exams, Build strong foundational skills

Level: Advanced

URL: <https://campusclature.com/courses/math-9-x3>

Type: Quick Revision

Course ID: CBSE\_SOC\_9\_X4

Title: Social Science Deep Practice - Class 9

Description: In-depth practice materials and concept explanations for CBSE Class 9 Social Science. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core social science topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/social-science-9-x4>

Type: Mixed

Course ID: CBSE\_ENG\_6\_X5

Title: English Deep Practice - Class 6

Description: In-depth practice materials and concept explanations for CBSE Class 6 English. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core english topics, Improve accuracy in exams, Build strong foundational skills

Level: Advanced

URL: <https://campusclature.com/courses/english-6-x5>

Type: Quick Revision

Course ID: CBSE\_SCI\_8\_X6

Title: Science Deep Practice - Class 8

Description: In-depth practice materials and concept explanations for CBSE Class 8 Science. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core science topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/science-8-x6>

Type: Quick Revision

Course ID: CBSE\_SCI\_6\_X7

Title: Science Deep Practice - Class 6

Description: In-depth practice materials and concept explanations for CBSE Class 6 Science. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core science topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/science-6-x7>

Type: Mixed

Course ID: CBSE\_ENG\_9\_X8

Title: English Deep Practice - Class 9

Description: In-depth practice materials and concept explanations for CBSE Class 9 English.

Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core english topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/english-9-x8>

Type: Quick Revision

Course ID: CBSE\_SCI\_11\_X9

Title: Science Deep Practice - Class 11

Description: In-depth practice materials and concept explanations for CBSE Class 11 Science.

Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core science topics, Improve accuracy in exams, Build strong foundational skills

Level: Advanced

URL: <https://campusclature.com/courses/science-11-x9>

Type: Concepts

Course ID: CBSE\_HIN\_7\_X10

Title: Hindi Deep Practice - Class 7

Description: In-depth practice materials and concept explanations for CBSE Class 7 Hindi. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core hindi topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/hindi-7-x10>

Type: Mixed

Course ID: CBSE\_ENG\_10\_X11

Title: English Deep Practice - Class 10

Description: In-depth practice materials and concept explanations for CBSE Class 10 English.  
Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core english topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/english-10-x11>

Type: Quick Revision

Course ID: CBSE\_HIN\_7\_X12

Title: Hindi Deep Practice - Class 7

Description: In-depth practice materials and concept explanations for CBSE Class 7 Hindi. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core hindi topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/hindi-7-x12>

Type: Mixed

Course ID: CBSE\_HIN\_6\_X13

Title: Hindi Deep Practice - Class 6

Description: In-depth practice materials and concept explanations for CBSE Class 6 Hindi. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core hindi topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/hindi-6-x13>

Type: Quick Revision

Course ID: CBSE\_SOC\_9\_X14

Title: Social Science Deep Practice - Class 9

Description: In-depth practice materials and concept explanations for CBSE Class 9 Social Science.  
Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core social science topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/social-science-9-x14>

Type: Concepts

Course ID: CBSE\_HIN\_10\_X15

Title: Hindi Deep Practice - Class 10

Description: In-depth practice materials and concept explanations for CBSE Class 10 Hindi.  
Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core hindi topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/hindi-10-x15>

Type: Quick Revision

Course ID: CBSE\_SOC\_9\_X16

Title: Social Science Deep Practice - Class 9

Description: In-depth practice materials and concept explanations for CBSE Class 9 Social Science.  
Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core social science topics, Improve accuracy in exams, Build strong foundational skills

Level: Advanced

URL: <https://campusclature.com/courses/social-science-9-x16>

Type: Concepts

Course ID: CBSE\_MAT\_9\_X17

Title: Math Deep Practice - Class 9

Description: In-depth practice materials and concept explanations for CBSE Class 9 Math. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core math topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/math-9-x17>

Type: Mixed

Course ID: CBSE\_SOC\_10\_X18

Title: Social Science Deep Practice - Class 10

Description: In-depth practice materials and concept explanations for CBSE Class 10 Social Science. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core social science topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/social-science-10-x18>

Type: Mixed

Course ID: CBSE\_SOC\_6\_X19

Title: Social Science Deep Practice - Class 6

Description: In-depth practice materials and concept explanations for CBSE Class 6 Social Science. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core social science topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/social-science-6-x19>

Type: Quick Revision

Course ID: CBSE\_MAT\_10\_X20

Title: Math Deep Practice - Class 10

Description: In-depth practice materials and concept explanations for CBSE Class 10 Math. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core math topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/math-10-x20>

Type: Concepts

Course ID: CBSE\_MAT\_8\_X21

Title: Math Deep Practice - Class 8

Description: In-depth practice materials and concept explanations for CBSE Class 8 Math. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core math topics, Improve accuracy in exams, Build strong foundational skills

Level: Advanced

URL: <https://campusclature.com/courses/math-8-x21>

Type: Quick Revision

Course ID: CBSE\_MAT\_7\_X22

Title: Math Deep Practice - Class 7

Description: In-depth practice materials and concept explanations for CBSE Class 7 Math. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core math topics, Improve accuracy in exams, Build strong foundational skills

Level: Beginner

URL: <https://campusclature.com/courses/math-7-x22>

Type: Concepts

Course ID: CBSE\_MAT\_7\_X23

Title: Math Deep Practice - Class 7

Description: In-depth practice materials and concept explanations for CBSE Class 7 Math. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core math topics, Improve accuracy in exams, Build strong foundational skills

Level: Intermediate

URL: <https://campusclature.com/courses/math-7-x23>

Type: Quick Revision

Course ID: CBSE\_ENG\_6\_X24

Title: English Deep Practice - Class 6

Description: In-depth practice materials and concept explanations for CBSE Class 6 English. Designed for strong fundamentals and exam prep.

Learning Outcomes: Master core english topics, Improve accuracy in exams, Build strong foundational skills

Level: Advanced

URL: <https://campusclature.com/courses/english-6-x24>

Type: Concepts
